DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3, 5-15, 19-27 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest an image formation device that uses recording agents of multiple colors to form a color image on a medium like paper, said image formation device comprising: an information transmission module that is arranged at a specific location facing a preset posterior circumferential position, said information transmission module transmitting information regarding cumulative consumption of recording agents with the additional consumption of the recording agents during formation of a corresponding color component image in a contactless, storable manner to a storage element mounted on a certain recording agent cartridge, which has just completed formation of a corresponding color component image at the image-forming circumferential position and has moved in the circumferential direction to the posterior circumferential position in combination with the remaining limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Amy R. Cohen whose telephone number is (571) 272-2238. The examiner can normally be reached on 8 am - 5 pm, M-F.
